Lakefront on Duck Lake!

There's something to be said for a lake house that doesn't have to try too hard. The kind of place where summer weekends happen naturally, neighbors become familiar faces on the water, and sunset is still the evening's main event. Set along 50 feet of private frontage on 253-acre all-sports Duck Lake, this well-maintained year-round home offers a front-row seat to one of Highland's most desirable lakes.
